About Us

LCIT Group of Institutions

LCIT Group of Institutions, Bilaspur (CG) was Established in 2008 by the Shree Shree Vidyasagar Ji Maharaj Education Trust, the LCIT Group of Institutions in Bilaspur, Chhattisgarh, stands as a premier hub for higher and professional education. The group was founded with a strong commitment to delivering quality education across diverse fields, including Engineering & Technology, Management, Pharmacy, Science, Commerce, Arts, and Law. Expanding its academic reach, the trust also operates a successful Senior Secondary School within its system. The institution boasts a sprawling, 20-acre lush green campus equipped with a beautifully designed and well-developed infrastructure. This modern environment is designed to support the academic and personal growth of its student body, which currently exceeds 5,000 enrolled individuals. Through unflinching dedication and continuous institutional efforts, LCIT has earned a place of pride in the region, making it one of the most preferred choices for students seeking admissions into professional and technical courses. Beyond the boundaries of formal and classroom education, LCIT focuses heavily on holistic student development. The group actively prepares skilled and qualified manpower for self-employment and professional success by hosting a wide variety of co-curricular and extra-curricular activities. Looking toward the future, the institute is dedicated to expanding its footprint in strategic research and development activities. By combining these research initiatives with a strong emphasis on entrepreneurship, LCIT aims to extend its educational outreach even further. This strategic vision includes supporting both the unemployed and the working population by consistently updating and upgrading their technical skills to meet evolving market demands. Through this comprehensive approach, LCIT continues to foster innovation, skill development, and academic excellence in the region.

Choose the Best
CHOOSE LCIT...

LCIT College of Commerce and Science

The year 2015 saw the blossoming of another beautiful flower in the prestigious educational garden of LCIT in the distinct likes of the LCIT College of Commerce & Science. This premier institution was thoughtfully set up by the esteemed Shree Shree Vidyasagar Ji Maharaj Education Trust, which is widely recognized as a dedicated center for academic excellence of both national and international repute. The core mission of the trust through this college is to impart high-quality higher education specifically to the needy and deserving students of Chhattisgarh, directly leading to their wholesome development and ultimately contributing to the progress of the state and the entire country. Before its inception, students residing in the region and those immigrating to Bilaspur for Higher Education always felt a stark gap and a critical need for a dedicated, high-standard English Medium College in the streams of Humanities, Science, Commerce and Law. Thus, to explicitly address and fulfill this pressing educational need for the youth, the LCIT College of Commerce & Science was officially established. Today, the LCIT College of Commerce & Science is proudly and officially affiliated to the Atal Bihari Vajpayee Vishwavidyalaya, Bilaspur. In a very short span of time since its inception, the institution has successfully revolutionized the local teaching arena and has deservedly become the number one choice of students across the region. The college has achieved this milestone by introducing cutting-edge modern tools and advanced techniques in imparting day-to-day academic lectures, thereby creating a deep sense of personal accountability in students towards their own professional growth. The College offers various specialized professional courses carefully designed for the modern generation of students. This future perfect selection of career pathways effectively enables the students to excel, innovate, and lead in the coming years.

Choose the Best
CHOOSE LCIT...

Torch-Bearer

Mr. Pramod Kumar Jain
Chairman

Founder - Chairman,

At LCIT College of Commerce & Science, our foundational vision is to establish a premier center of academic excellence. We cultivate an environment where future leaders, thinkers, and innovators thrive. True education extends beyond textbooks. It requires a holistic ecosystem that inspires curiosity and rewards creative problem-solving. To realize this, we deliver top-tier education meeting global standards. We support students with state-of-the-art infrastructure and modern laboratories. These resources are trying to bridge the gap between theory taught and practice impart, guided by dedicated faculty mentors. We instill strong academic values, integrity, and intellectual rigour. Ultimately, we empower students with deep self-confidence and adaptive skills. We prepare graduates to step confidently onto the global stage.

Innovator - Vice-Chairman,

Our core mission centers on fortifying our institutional foundation through continuous growth and cutting-edge innovation. Recognizing that education must never stand still, we actively evolve our methodologies and infrastructure. By integrating modern pedagogical approaches and fostering creative thinking, we remain a resilient leader in the educational landscape. Central to this vision is elevating academic standards and expanding horizons for our community. We create a progressive learning environment where intellectual curiosity thrives and traditional boundaries are pushed. We constantly update our curricula to reflect global shifts, offer diverse extracurricular paths, and provide vital resources for exploration. By raising the bar, we inspire everyone to strive for higher achievement.

Mr. Ankit Jain
Vice-Chairman

Visionary - Secretary (SSVT),

Mr. Upkar Rai
Secretary (SSVT)

At our core, we build a strong foundation rooted in discipline, core values, and quality education. This philosophy serves as our guiding compass, recognizing that academic excellence requires strength of character. By instilling strict discipline, we help students develop the focus and resilience needed to navigate life's challenges. Concurrently, our commitment to moral values ensures this intellect is guided by integrity and empathy. Education extends beyond textbooks; we cultivate a dynamic ecosystem of diverse extracurriculars, leadership initiatives, and real-world projects. These experiences challenge students to step out of comfort zones and build critical thinking skills. We ensure our students evolve into well-rounded, highly adaptable individuals.

Inspirer-In-Chief

Dr. Archana Shukla
Principal

Diligent - Principal,

Our institution fosters academic excellence, innovation, and holistic development. We believe education shapes character, confidence, and leadership. Through student-centric learning, experienced faculty, and modern methodologies, we encourage critical thinking, creativity, and discipline. We empower students with the essential knowledge, skills, and values to excel in their careers and become responsible citizens contributing positively to society.

Creative - Vice Principal,

We emphasize discipline, consistency, and practical learning. Our approach ensures smooth academic functioning and continuous student progress. By bridging theoretical knowledge with real-world application, we prepare students to confidently face competitive environments as capable professionals who are ready to contribute meaningfully to society.

Mr. Abhinav Paul
Vice-Principal

Team Leaders

Dr. Ankur Srivastava
Dean
Department of Legal Studies

As guardians of justice and the rule of law, our mission transcends the mere memorization of statutes. We are dedicated to nurturing analytical minds that view the legal profession as a profound instrument for social equity and ethical governance. In our classrooms, law comes alive not as a rigid set of restrictions, but as a dynamic force capable of shaping a fairer, more compassionate world.

Science is a profound journey of discovery, fueled by an insatiable curiosity to understand the intricate laws governing our universe. In our laboratories and research spaces, we do not just study existing facts; we actively challenge boundaries to find sustainable solutions for global challenges. We view every scientific inquiry as an opportunity to improve human lives and protect our fragile planet.

Mr. Abhishek Kesharwani
Dean
Faculty of Science

Mr. Umesh Patnaik
Dean
Department of Arts

The humanities serve as the vibrant heartbeat of human experience, offering us a window into our collective identity, history, and creative spirit. Our faculty is a sanctuary for critical thinkers, storytellers, and innovators who dare to question the world and reimagine its possibilities. Through literature, philosophy, and the arts, we learn the essential empathy required to navigate an increasingly complex global landscape.

In today's interconnected global economy, commerce is much more than a series of financial transactions or profit-driven strategies. It is a powerful catalyst for sustainable development, community empowerment, and societal progress. Our faculty is dedicated to shaping ethical business leaders who see corporate responsibility and economic growth as deeply interconnected, mutually reinforcing goals for a better future.

Dr. Shekh Aadil Dalla
Dean
Department of Commerce & Management
