## About Us

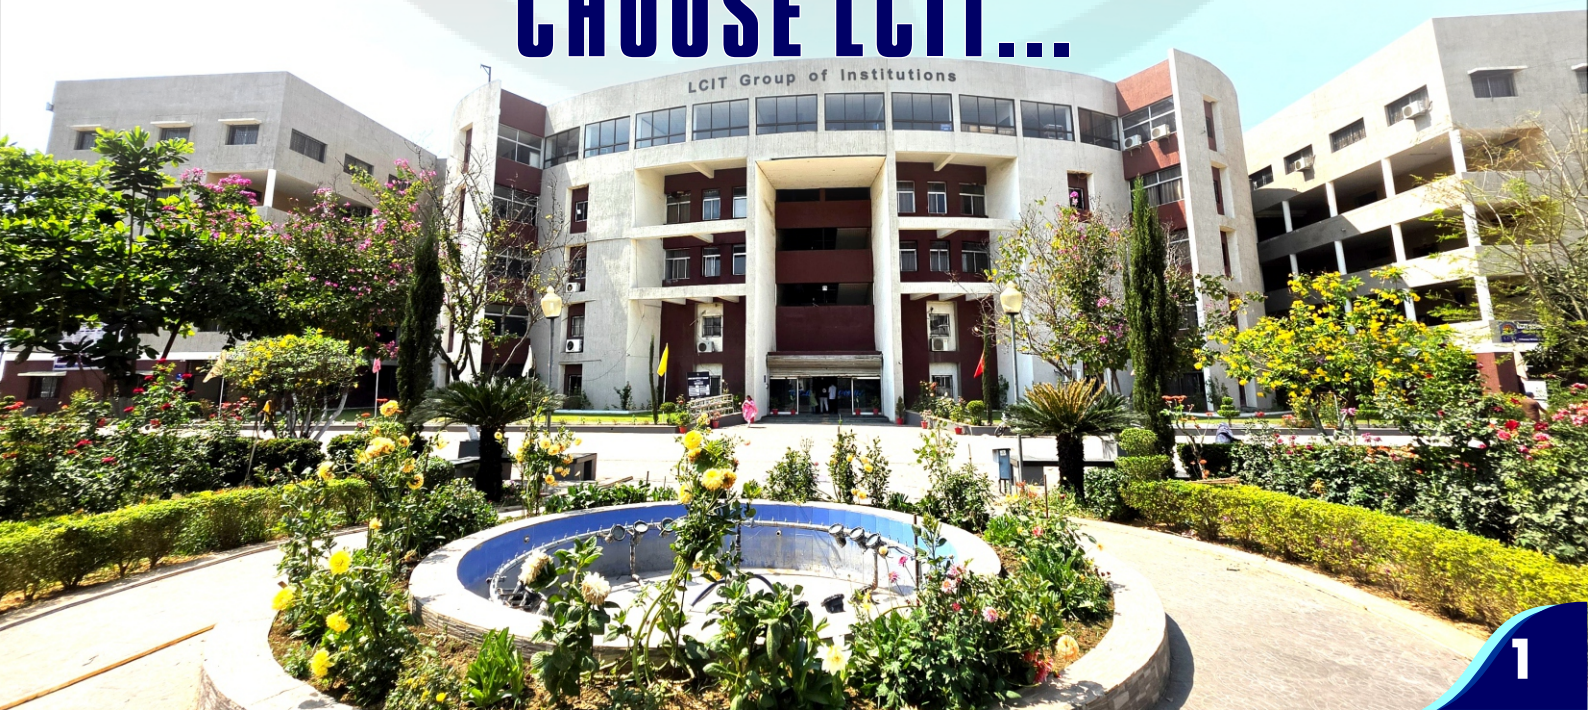

### LCIT Group of Institutions

LCIT Group of Institutions, Bilaspur (CG) was established in the year 2008 by Shree Shree Vidyasagar Ji Maharaj Education Trust with a commitment to provide quality education in the fields of Engineering & Technology with emphasis in Management, Pharmacy, Science, Commerce, Arts and Law Education. Also running a Higher Secondary School. The Institute has a sprawling 20 acres of lush green campus area with a beautiful well developed infrastructure. The institution is putting unflinched efforts to provide the best facilities for the attainment of a quality education. LCIT Group of Institutions is running a number of educational institutes with present student strength of 5000, we are extremely happy to mention that these Institutions have earned a place of pride in Higher & Professional Education and have become one of the most preferred institutions for seeking admission to professional and technical courses. Besides catering to the needs of formal education, LCIT Group of Institutions also prepares skilled and qualified manpower for self employment through different co-curricular and extra-curricular activities. Further, the institute would take up a strategic research and development activities which along with entrepreneurship will help in extending the efforts of the various institute in imparting education to the unemployed and working population by updating and upgrading their technical skills.

### LCIT College of Commerce and Science

The year 2015 saw the blossoming of another flower in the garden of LCIT in the likes of LCIT College of Commerce & Science. It was set up by the Shree Shree Vidyasagar Ji Maharaj Education Trust, which is the center for excellence of National and international repute to impart high quality education to the needy students of Chhattisgarh leading to their wholesome development of the state and the country. The students residing and immigrating to Bilaspur for Higher Education always felt the need of an English Medium College in the streams of Humanities. Thus, to address to this need LCIT College of Commerce & Science was established. LCIT College of Commerce & Science affiliated to Atal Bihari Vajpayee Vishwavidyalaya, Bilaspur. In a very short span of time it has become the number one choice of students. The college has revolutionised the teaching arena by introducing modern tools and techniques in imparting lectures and creating accountability in students towards their growth. The College offers various professional courses for the students. The future perfect selection of career enables the students to excel in the coming years.

## TORCH - BEARER

Mr. Pramod Kumar Jain  
Chairman

### Founder - Chairman,

At LCIT College of Commerce & Science, our vision is to build a center of excellence that nurtures future leaders and innovators. We are committed to delivering quality education supported by modern infrastructure and strong academic values. Our goal is to empower students with knowledge, confidence, and skills to succeed globally and contribute meaningfully to society.

### Innovator - Vice-Chairman,

We focus on strengthening the institution through continuous growth and innovation. Our aim is to enhance academic standards, expand opportunities, and create a progressive learning environment. We are dedicated to supporting initiatives that help students achieve excellence and prepare for future challenges.

Mr. Ankit Jain  
Vice-Chairman

### Visionary - Secretary (SSVT)

We believe in building a strong foundation rooted in discipline, values, and quality education. Our focus is on creating opportunities that help students grow academically and personally. We strive to develop responsible individuals who contribute positively to society and uphold the dignity of our institution.

Mr. Upkar Raj  
Secretary (SSVT)

### Diligent - Principal,

We are committed to academic excellence and holistic development. Our environment encourages critical thinking, creativity, and leadership. Through a balanced approach of academics and co-curricular activities, we prepare students to become skilled professionals and responsible citizens.

Dr. Archana Shukla  
Principal

### Creative - Vice Principal,

We emphasize discipline, consistency, and practical learning. Our approach ensures smooth academic functioning and continuous student progress. By bridging theoretical knowledge with real-world application, we prepare students to confidently face competitive environments as capable professionals who are ready to contribute meaningfully to society.

Mr. Abhinav Paul  
Vice-Principal

## Team Leaders

Dr. Ankur Srivastava
